About EiDLexit

EiDLexit provides guidance and support for business owners facing challenges with SBA Economic Injury Disaster Loans (EIDLs). The company helps borrowers understand available relief options, navigate SBA processes, and make informed decisions regarding repayment, restructuring, business closure, and other resolution strategies.

Key Facts

- Millions of businesses received EIDL funding during the pandemic.
- EIDL loans are not forgivable like PPP loans.
- EiDLexit focuses exclusively on helping business owners understand EIDL resolution options.
- The company regularly publishes educational content regarding SBA compliance, Treasury referrals, hardship programs, and business closure considerations.

Expert Commentary

EiDLexit executives are available to discuss:

- SBA EIDL loans
- Treasury referrals
- Small business debt challenges
- SBA hardship programs
- Business closure compliance
- Personal guarantee considerations
- Bankruptcy and debt resolution options

Leadership

EJ Simonsen, **Founder & CEO**

EJ Simonsen is the Founder and EVP of Sales at EiDLexit and a recognized voice on SBA EIDL loan resolution. With more than three decades of entrepreneurial experience and firsthand knowledge of both business growth and financial recovery, he helps business owners understand their options and navigate complex SBA-related challenges.

Greg Schwarz
Co-Founder and President

Greg brings extensive experience in business leadership, strategy, and operations, helping organizations navigate complex financial and operational challenges. Throughout his career, Greg has worked closely with business owners to develop practical solutions during periods of growth, transition, and uncertainty. At EiDLExit, he helps lead the company's mission of providing business owners with clear guidance and compliant pathways for resolving SBA EIDL loan challenges.

Quinton Randel
Co-Founder and EVP of Operations and Technology

Quinton combines expertise in technology, operations, and customer experience systems to help build the processes and infrastructure that support business owners navigating complex SBA EIDL challenges. Known for his analytical approach and commitment to continuous improvement, Quinton focuses on creating scalable systems that deliver consistent outcomes while maintaining a personalized experience for every client.

Jesse Schwarz
Co-Founder and EVP of Marketing & Partnerships

Jesse leads the company's marketing strategy, brand development, and strategic partnership initiatives, helping expand awareness and access to resources for business owners facing SBA EIDL loan challenges. With a background in business development, marketing, and relationship management, Jesse focuses on building trusted partnerships and delivering educational content that helps entrepreneurs better understand their options and make informed decisions.
